Each one is encouraged to foster professional development through imagination, innovation, specialized knowledge and critical-thinking.

## MESSAGE FROM CUSTODIAN

**Late Sri Lalsa Prasad Lal**

Nations are built over centuries. Similarly, institutions are built over decades. India's role in a 21st century world is that of immense responsibility and it is duty to align the objectives of our institutions to the larger version of the nation. St. Mother Teresa Group of Colleges is founded on the principles of social impact and development. As an institution, our focus is on high impact areas such as entrepreneurship, healthcare, creativity, education and leadership. These programmes and the course therein are designed with forethought to ready you for careers and more advanced levels of study.

As the Custodian, I have both the opportunity to provide forward-looking leadership and to ensure that SMT becomes a model of excellence for the country in the years to come. If I had to state what differentiates SMT, I would without a doubt say that it is how we bring together an incredibly diverse group of students & faculty from across the world to discover a new way of learning. Moreover, SMT gleans great advantage from its valuable industry network, which equips our students with essential knowledge and skills to excel in today's highly competitive world. At SMT, you are part of a strong campus community that values academic excellence and global diversity. The students also get the opportunity to interact closely with the highly competent faculty and luminaries in

various fields of science from top institutions of India and abroad. SMT is proactively involved in Outcome-Based Education & Choice Based Credit System to enhance inter-disciplinary competence and leadership skills among our students in a global perspective.

My vision for the future of the St. Mother Teresa Group of Colleges is to persistently follow excellence in everything we do. Effective education is beyond just gaining knowledge in the classroom. We equip our students to lead and be empowered to serve in the constantly changing legal landscape by providing them constant industry exposure. We invest in our students academically, personally, and professionally. We passionately curate our students to realize their dreams and have a rewarding career.

We at the SMT believe in-the world is one family ( वसुधैव कुटुम्बकम् ); performing together with team work and deep concentration ( सह वीर्यं करवावहै ); and we are friends with all living beings ( सुहृदं सर्वभूतानां )- knowledge is acquired by practice ( अभ्यसांनुवर्तनी वदिया ). I further extend my warm invitation to the students and their parents to visit our college in person to know us in the finest way. We seek to shape your repertoire of knowledge, our students, so that you can shape the world around you. Wishing you a happy and successful life.

## MESSAGE FROM THE FOUNDER

**Dr. Madan Lal Khurana**

Thank you for considering St. Mother Teresa Group of Colleges for your future studies. SMT envisions itself as an institution of global standing, which fosters development of professionally-competent talent and contributes to nation-building. The college offers a wide choice of undergraduate programs. I am sure that you will find a course here that meets your expectations and helps you to prepare for the future. SMT operates with the objective to provide education which is accessible, equitable, qualitative and inclusive in nature. The focus of the college is to nurture and develop cognitive and non-cognitive skills, aligned with the goals of Education for Sustainable Development and Global Citizenship. We provide a very strong foundation which we believe will prepare the graduates from the school to become pragmatic professionals, competent decision makers and policy makers, while also being sensitive human beings. They will be capable of providing an integrated framework to various business and developmental issues, and all other concerns needed to be addressed at the micro and macro levels. They will also evolve with the philosophy of the subject matter, making their very core ingrained with principles, ethics, and values which are absolutely crucial in a society which is going through social transformation. The academic calendar includes various curricular and extracurricular activities, which further prepares our students to cope with difficult tasks, time management, and inflexibility, grooming them for life ahead. Our philosophy is to encourage an open door approach, open to feedback and constructive criticism creating a ground for a sound learning experience. The environment here is disciplined and rigorous, at the same time giving plenty of scope for creativity, originality and student initiatives. With an excellent record of placements, prospective employers look forward to having SMT graduates of St. Mother Teresa Group of Colleges.

## MESSAGE FROM THE CHAIRMAN

**SABARMATI KHURANA**

I extend a warm welcome to you on behalf of St. Mother Teresa Group of College. As the Chairman of this esteemed institution, it gives me great pleasure to share with you the unique and enriching academic experiences that await you here.

At St. Mother Teresa Group of College, we strive for academic excellence by bringing together a team of the best faculty members who are not only experts in their respective fields but also passionate educators dedicated to shaping the minds of our students. Our faculty members go beyond traditional teaching methods, encouraging critical thinking, fostering innovation, and imparting practical knowledge that prepares students for real-world challenges.

In addition to our exceptional faculty, we believe in the power of guest lectures and industry interactions to broaden the horizons of our students. Throughout the academic year, we organize a series of guest lectures by eminent professionals, experts, and thought leaders from various industries. These guest lectures provide invaluable insights, practical knowledge, and networking opportunities, bridging the gap between academia and the real world.

Furthermore, we understand the importance of connecting classroom learning with practical experiences. Our college organizes frequent industrial visits, allowing students to witness firsthand the inner workings of industries relevant to their areas of study. These visits provide students with a deeper understanding of their chosen fields, expose them to industry best practices, and inspire them to apply their knowledge in real-world scenarios.

Our commitment to providing a holistic education extends beyond academic pursuits. We believe in nurturing well-rounded individuals, and thus, our college encourages students to participate in a wide range of extracurricular activities. From cultural events and sports competitions to leadership development programs and community service initiatives, there are ample opportunities for students to explore their interests, showcase their talents, and develop essential life skills.

At St. Mother Teresa Group of College, we take pride in our inclusive and supportive environment. We celebrate diversity and foster a sense of belonging among our students. Our college is a melting pot of cultures, ideas, and perspectives, creating a vibrant community where students learn from each other, collaborate, and build lifelong friendships.

As the Chairman, I assure you that our college is equipped with state-of-the-art facilities, modern laboratories, and a well-stocked library to support your academic endeavors. We strive to provide a conducive learning environment that encourages collaboration, research, and innovation.

I invite you to embark on a transformative journey at St. Mother Teresa Group of College, where you will receive the best education, interact with accomplished faculty members, gain exposure through guest lectures, and embark on exciting industrial visits. Join us and become a part of our dynamic academic community, where your dreams will find wings and your potential will flourish. We look forward to welcoming you and being a part of your success story.

## MESSAGE FROM THE DIRECTOR

**YUVRAJ KHURANA**

Warm greetings from St. Mother Teresa Group of College. I am delighted to extend a heartfelt welcome to you and share the incredible academic opportunities that await you at our institution.

As the Director, it is my honor to guide you on your educational journey, ensuring that you receive a holistic learning experience that prepares you for success in the ever-evolving world. At St. Mother Teresa Group of College, we are committed to nurturing future leaders, innovators, and entrepreneurs who will make a positive impact on society.

To support this vision, we have established a College Fund for New Startup Ideas, which provides financial assistance and mentorship to students with innovative business concepts. We encourage our students to explore their entrepreneurial aspirations, turn their ideas into reality, and contribute to the growth of our economy. In line with our commitment to providing a world-class educational experience, we boast well-equipped laboratories that facilitate hands-on learning and experimentation. Our labs are equipped with the latest technologies and equipment, enabling students to gain practical skills and engage in research activities. Through these state-of-the-art facilities, we aim to nurture scientific temper, critical thinking, and problem-solving abilities among our students.

At St. Mother Teresa Group of College, we recognize the importance of global perspectives and cross-cultural

learning. To enrich our students' academic journey, These interactions broaden their horizons, foster cultural exchange, and prepare them to thrive in a globally interconnected world.

Moreover, we understand the significance of industry exposure and practical experience in shaping a successful career. Our college houses a dynamic Internship and Placement Cell that actively engages with leading industries and organizations. Through strategic partnerships and collaborations, we ensure our students have access to the best internship opportunities, allowing them to apply their skills, gain industry insights, and build valuable professional networks. Our Placement Cell also works tirelessly to secure top-notch placements for our graduates, helping them kickstart their careers on a strong footing.

In conclusion, I invite you to join the St. Mother Teresa Group of College family, where we foster an environment of innovation, entrepreneurship, and global awareness. With our College Fund for New Startup Ideas, well-equipped laboratories, guest lectures by international faculty, and a dedicated Internship and Placement Cell, we provide a comprehensive ecosystem that empowers our students to succeed academically and professionally. Come and be a part of a vibrant community where your ideas are nurtured, your potential is unleashed, and your dreams are realized. Together, let us embark on a transformative educational journey that will shape your future and empower you to create a positive impact on the world.

The Management Team concept strives to empower student leaders to make a difference by expanding possibilities for their peers while also allowing them to grow as individuals. Ensure that the provision is truly student-centered by bringing in the most registrations, recruiting students to volunteer, organizing matches, managing stage and crowd, and officiating fixtures. The SMT Management Team is an important aspect of the student government

#### ◊ JOSH- Sports Club

Josh is the sports club of SMT. In between intensive hustle for completing backlogged assignments and preparing for topping the examinations, a student often forgets the basic understanding of life, building a balance between academics and co-curricular activities, unknowing that they should go hand in hand. The diverse and multicultural environment of SMT not just focuses on giving the best education and educational platforms for a student's academic excellence but also gives space to realize one's latent talent in any sporting activity. Josh Sports Clubs give a student a stage to excel. With proper trials and procedures and interviews which anyone can apply for, a student's talent is identified and welcomed to get brushed up. You can view the wide range of sports facilities that our clubs access.

#### ◊ CAPTURE- Photography Club

Capture is the Photography Club of SMT. It is a community of passionate individuals to share their creativity, knowledge, and passion for photography. Through field trips, photo-walks, museum and gallery visits, and guest speaker demos, the club enables the students to find their photographic niche, improve their technical skills, and diversify their photography portfolio.

# SMT INTERNSHIP & PLACEMENT CELL

SMT internship & placement cell will help students prepare for their upcoming step into the professional world, and also help relieve a major part of the stress they have. They have been established by the college mainly as a place for guidance that will help them get placed in a job or getting an internship at companies or firms. Along with preparation, SMT Internship & placement cell help get the right people to the right place.

The objective of any educational institution is to help and motivate its students to get placement or internship in any government, private or semi government sectors of the economy within and outside the state or country.

The placement or internship of its students through examination or campus selection is the ultimate desire of any educational institution. The Placement and internship Cell helps the student in exploring opportunities by inviting various companies for campus recruitment.

## Preparation

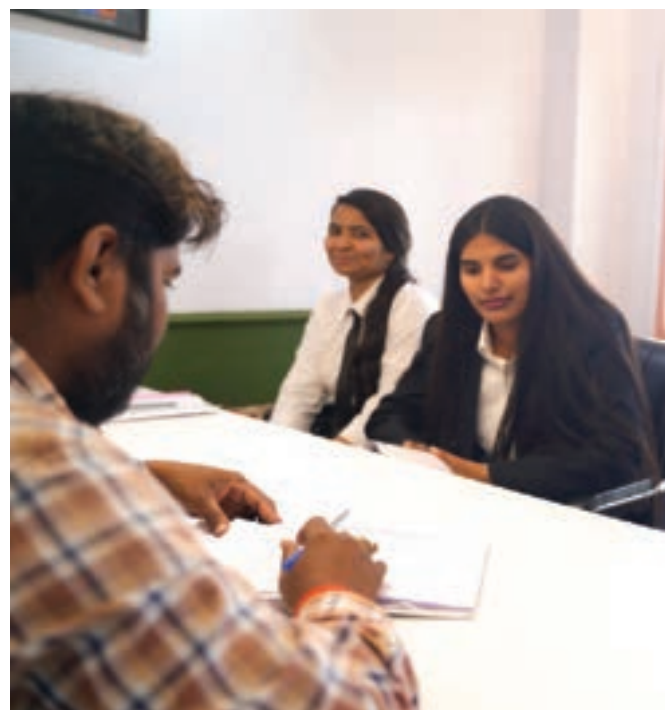

One of the best things an internship & placement cell can do for students is to prepare them. Interviews are tough, and one bad interview can shatter the confidence of even the best students. So, through mock interviews, through counseling, and providing them with tips for confidence during an interview, the cells can do a really good job of preparing them mentally.

## Awareness

Another way the cell helps students by increasing their awareness. Though students might be good with theoretical knowledge, they also have to know about the current industry conditions. SMT placement and internship cell help students know about the industry they are getting into. They will be heading out into the professional world with a lot more awareness and preparation.

## Employment Opportunities

The main aim of a SMT placement & internship cell – getting students placed in good companies, where they can start their careers. Campus placement and internship is the first place where students get an in-depth look into the professional world.

# STUDENTS EXPERIENCE AT SMT

Five Years of my journey in SMT has been splendid and worth remembering. It has not only helped me to gain knowledge and develop skills in various fields but also helped me to live a disciplined life. It has helped me to explore the real me and test my limits to the extreme. I am extremely thankful to my college for providing me with a good foundation for my career. I am also immensely thankful to SMT and Internship & Placement Cell for conveying the right knowledge and conducting personality enhancement programs which helped me groom and prepare myself to face the challenges in any sector of job.

SMT is just like a family with the opportunity of building lifelong friendships with people from different cultures and histories, having like-minded views. The practical experience he gained from the classes and internships during his time at SMT were invaluable for starting a successful and sustainable career from day one after college. The diverse range of students on campus meant a real cultural experience for me.

College had just the right amount of opportunities for me to take advantage of. From the curriculum, the array of local speakers, extracurricular activities and events, his three year journey at SMT was truly memorable. The faculty helped him identify his strengths and helped him explore his true potential. SMT for me are the pillars of learning and have helped him gain a great learning experience.

The inculcation of discipline at SMT and the culture of value based education proved to be the keys that helped him open up his career path and helped him in his further studies. The deep sense of gratitude for the knowledge and confidence the college imparted, and the friendships he formed during his time. She reflects upon how industry workshops and seminars helped her build her confidence and excel in her career.

SMT is a place of learning, fun, culture, sports, literature and many such life preaching activities. The courses and teaching pedagogy were excellent and played a major role in shaping my future. SMT taught me the value of sincerity and hard work. The conceptual healthy & coherent learning environment of the university favored multidimensional development of the students. The study was only career oriented but also developed our technical proficiency in the field of research & innovations. It enhanced our decision making ability, positivity, motivation, discipline and team management skills.

What I learned at SMT, within the classrooms and on this beautiful campus, has powerfully shaped my thinking and career. Getting my bachelor's degree from SMT has been a remarkable experience. SMT gave me a direction to channel my qualities, I got numerous opportunities to outshine in various areas. I will always cherish the 4 years that I spent in SMT. And I would like to express my sincerest gratitude to each faculty and staff member at SMT.
